

STATIC WEB PAGE

A proposal

In this document, there is a proposal for the English content of the static web pages to design into the web sites of each co-applicant and associate. The contents of the static web page in English have also to be translated in each mother tongue language (Italian, Greek, Spanish, Belgian, etc.).

As communicate in the occasion of the Kickoff Meeting, each co-applicant and associate must realize a static web page in its own web site describing the project and linking to the unique website. The unique website is the lead-applicant one and the URL is: <https://euresmobility.anpal.gov.it/>.

Below, the proposal:

EURES Targeted Mobility Scheme

Are you looking for a **job/traineeship/apprenticeship opportunity** in another EU Member State or Iceland or Norway?

or

are you an **employer** looking to hire candidates from all over the EU or Iceland or Norway?

Then click [here](#) and explore the opportunities offered by the EURES Targeted Mobility Scheme!

Commentato [FP1]: Link a <https://euresmobility.anpal.gov.it/>.

Who?

Anyone wishing to participate as a jobseeker must be:

- aged at least 18 and
- national of any of the EU Member States/Ireland/Norway or
- legally resident (with long term resident status) in any of the EU Member States/Ireland/Norway

Third country nationals or EU nationals residing outside the EU territory **are not eligible**.

Employers must be:

- businesses or organisations that are legally established in one of the EU Member States or Iceland or Norway, regardless of the economic sector in which they operate

Are you a SME? Good news! You may apply for financial benefits to fund integration programmes for newly recruited candidates.

What?

The EURES TMS connects registered candidates to employer offering job, traineeship or apprenticeship opportunities, and supports them throughout the recruitment process by providing financial allowances and tailored advice! For further details on the financial allowances available check the table below.

Where?

All the EU Member States + Iceland or Norway.

In what sector?

Any economic sector – there are no restrictions here!

For how long?

- **At least 6 months** for jobs and apprenticeships
- **At least 3 months** for traineeships

Services and benefits

EURES TMS offers to jobseekers and employers the opportunity to access to a **unique, integrated and customized service** counting on the assistance of qualified and long experienced professionals in matching, pre-placement, placement and post-placement: the **project Advisers**.

In addition to customized support and assistance, jobseekers and employers can also enjoy **financial benefits**:

The EURES Targeted Mobility Scheme is co-financed by the European Commission through the EU Programme for Employment and Social Innovation (EaSI). It is designed to facilitate the creation of job mobility projects within the territory of the EU Member States + Ireland and Norway. Its key objective is to tackle labour market imbalances by targeting bottleneck vacancies and labour surpluses in a wide range of sectors.
